Women's Health Lift to Get Lean Holly Perkins, 2015-04-14 Research shows that building muscle helps the body burn more calories 24/7 and that resistance training is the most effective way to torch body fat. Yet that message is still lost on many women who fear that weight lifting will make them bulky, turn their skin green, and give them Incredible Hulk muscles like their boyfriends'. Women have more options than step aerobics or running on a treadmill to shed pounds: They can weight-train in a very specific manner designed to make the most of a woman's unique physiology. *Lift to Get Lean* is the first beginner's guide to strength training from *Women's Health* that is written specifically for women by a woman. Holly Perkins is a certified strength and conditioning specialist (CSCS) who has been teaching the fat-burning secrets of weight training exclusively to women for more than 20 years. Perkins doesn't follow men's rules when it comes to building muscle. *Lift to Get Lean* delivers a three-step system: Technique, Movement Speed, and the Last 2 Reps Rule, which make all the difference in developing the kind of strong, lean, and sexy body women want. Perkins offers four different 90-day training programs that efficiently build functional strength along with leaner legs, stronger arms, and a sexier butt.

*The Hollywood Body Plan* David Higgins, 2019-01-10 'DAVID HIGGINS IS A LEGEND. HE PUT ME IN MY BEST PHYSICAL SHAPE AND HE EDUCATED ME ON STRETCHING, STRENGTHENING AND NUTRITION!' His combinations of strength, Pilates, stretching and active release ... are nothing short of spectacular.' Samuel L. Jackson 'Working with DH is always fantastic because of his expertise as a fully qualified trainer, personal fitness and in-depth knowledge of nutrition.' Rebecca Ferguson David Higgins's Hollywood-tested Hollywood Body Plan will transform your everyday movement and treat the aches and pains that have built up over years of sedentary living. Once you have regained control of your body, you can live without stiffness and pain and exercise without fear of injury. RESET your body with David's 21-day workout. Just 21 minutes a day. Correct poor posture and body imbalance. The first part of David's plan will strengthen your core, activate your glutes, improve lower back movement and hip flexibility as well as pull back your shoulders and neck. Take 21 minutes a day for 21 days to put yourself back on the right path physically. Combined with David's 21-day food plan, you will soon find yourself moving with confidence, exercising without pain - and losing weight and feeling great! TRANSFORM your body The second part of David's plan is a transformational workout - a more dynamic, higher intensity exercise plan, 5 days a week. Get leaner, stronger and more toned as you follow this exercise and food programme. FOREVER FIX your body David's self-care programme is the third part of the plan and will help you treat muscle soreness, neck pain or backache and keep you on track for life. David's Hollywood Body Plan is a unique and corrective approach to exercise and diet, based on his belief that until you undo all the dysfunctional movement that you have developed over the years, all the exercise and diets you try will only be short-term fixes. This book will truly reset, transform and forever fix your body for life.

*Sit Up Straight* Vinh Pham, Jeff O'Connell, 2022-05-10 Futureproof your body and relieve chronic pain resulting from sitting, slouching, and other bad lifestyle habits with this easy-to-perform set of daily stretching and movement routines—from an innovative physical therapist and social media star who coaches dozens of celebrity clients. What if we could easily acquire long-lasting protection for our bodies and escape the chronic pain caused by our sit-all-the-time, slouch-too-much lifestyles? Vinh Pham is a world-class physical therapist who has worked with a broad range of clients—from Olympians to NBA stars to MMA fighters to Golden Globe and Grammy Award-winning artists. Early in his career, he discovered a disappointing truth: most of his patients came to him already in pain. They had lifestyle habits that misaligned their joints and tightened their muscles. And the recent epidemic of prolonged sitting—which represents an all-day assault on the body—has only made things worse. If you're sitting for more than thirty minutes at a time without getting up, you may be heading toward a world of hurt. Vinh's answer to the host of muscle maladies that ails us has been a revolutionary concept: why not futureproof? Instead of reacting to chronic pain after it flares up, what if we focused on a "movement discipline" that not only prevents injuries but leads to longer lives, healthier bodies, and a clearer mind? A precise and simple toolkit for tweaking the way we move (or refuse to move), *Sit Up Straight* outlines a process that starts with a daily posture regimen. Performed correctly, Vinh's twelve simple movements, which can be done in twenty minutes, will lock in protection for the rest of the day. But Vinh goes further. He provides stretching and exercise routines for many of the specific ailments that affect us—from hamstring pulls to sciatica to rotator cuff problems—and, best of all, he offers a series of customized movements based on age, gender, and the kind of work we perform. "No fancy equipment required...full of good and clear tips and wisdom" (Booklist), *Sit Up Straight* shows that the solution to becoming pain-free is easier than we think.
