**Leaf by Leaf** Barbara Rogasky, Marc Tauss, 2001

**The Dash** Linda Ellis, 2012-04-16 When your life is over, everything you did will be represented by a single dash between two dates—what will that dash mean for the people you have known and loved? As Joseph Epstein once said, “We do not choose to be born. We do not choose our parents, or the country of our birth. We do not, most of us, choose to die. . . . But within this realm of choicelessness, we do choose how we live.” And that is what *The Dash* is all about. Beginning with an inspiring poem by Linda Ellis titled “*The Dash*,” renowned author Mac Anderson then applies his own signature commentary on how the poem motivates us to make certain choices in our lives—choices to ignore the calls of selfishness and instead reach out to others, using our God-given abilities to brighten their days and lighten their loads. After all, at the end of life, how we will be remembered—whether our dash represents a full, joyous life of seeking God’s glory, or merely the space between birth and death—will be entirely up to the people we’ve left behind, the lives we’ve changed.

**Love That Dog** Sharon Creech, 2002-01-01 This is an utterly original and completely beguiling prose novel about a boy who has to write a poem, and then another, and then even more. Soon the little boy is writing about all sorts of things he has not really come to terms with, and astounding things start to happen.

**Koala Lou** Mem Fox, 1989 When Koala Lou's mother becomes so busy that she forgets to tell her firstborn how much she

loves her, Koala Lou enters the Bush Olympics, intending to win an event and her mother's love all at one time. A first-rate choice for bedtime, story hour, or reading aloud.--The Horn Book

**Chocolate Cake** Michael Rosen,2017-08-24 When I was a boy, I had a favourite treat. It was when my mum made . . . CHOCOLATE CAKE! Ohhh! I LOVED chocolate cake. Fantastically funny and full of silly noises, this is Michael Rosen's love letter to every child's favourite treat, chocolate cake. Brought to life as a picture book for the first time with brilliant and characterful illustrations by Kevin Waldron.

**The Months** SARA COLERIDGE,2021-05-12 The One Poem series introduces young children to the world of poetry in a delightful manner, and helps them in developing a lifelong interest in this genre of literature. A truly adorable collection of all-time favourite poets and poems.

**When The Teacher Isn't Looking** Kenn Nesbitt,2012-08-07 Students and teachers will roar as Kenn Nesbitt pokes fun at silly school topics with dozens of wacky poems. Who knew school lunches and detention could be so funny? Kenn Nesbitt, that's who! Do you attend a school like the one Kenn Nesbitt describes in this hysterically funny collection of poems? There's a frenzied food fight in the cafeteria. For show-and-tell, kids burp the ABCs. Recently, pet days have been banned (and for good reason). And the funniest things happen when the teacher isn't looking. Kids and teachers rate these rhymes A+ (and you will, too).

**Revenge of the Lunch Ladies** Kenn Nesbitt,2012-06-19 The lunch ladies will finally have their revenge! From the lunch ladies getting back at kids who complain about cafeteria food, to principals who disappear into thin air, school has never been so funny. Revenge of the Lunch Ladies is sure to keep the laughs coming with each giggle-packed page. Kenn Nesbitt has created forty-five silly poems and songs all about school. *Reading with Meaning* Debbie Miller,2023-10-10 Ten years since her first edition, author Debbie Miller returns with *Reading with Meaning*, Second Edition: Teaching Comprehension in the Primary Grades to share her new thinking about reading comprehension strategy instruction, the gradual release of responsibility instructional model, and planning for student engagement and independence. *Reading with Meaning*, Second Edition delves into strategy and how intentional teaching and guided practice can provide each child a full year of growth during their classroom year. New in this edition are

lesson planning documents for each chapter that include guiding questions, learning targets, and summative assessments, as well as new book title recommendations and updated FAQ's from the first edition. Also included are strategic lessons for inferring, determining the importance in each text, and synthesizing information. Teachers can help students make their thinking visible through oral, written, artistic, and dramatic responses and provide examples on how to connect what they read to their own lives. In this book, Miller reflects on her professional experiences and judgement along with current research in the field. She provides a guide for any teacher hoping to build student relationships and develop lifelong independent learners.

**Something to Declare** Julia Alvarez, 1998-08-01 "Julia Alvarez has suitcases full of history (public and private), trunks full of insights into what it means to be a Latina in the United States, bags full of literary wisdom." —Los Angeles Times From the internationally acclaimed author of the bestselling novels *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* comes a rich and revealing work of nonfiction capturing the life and mind of an artist as she knits together the dual themes of coming to America and becoming a writer. The twenty-four confessional, evocative essays that make up *Something to Declare* are divided into two parts. "Customs" includes Alvarez's memories of her family's life in the Dominican Republic, fleeing from Trujillo's dictatorship, and arriving in America when she was ten years old. She examines the effects of exile--surviving the shock of New York City life; yearning to fit in; training her tongue (and her mind) to speak English; and watching the Miss America pageant for clues about American-style beauty. The second half, "Declarations," celebrates her passion for words and the writing life. She lets us watch as she struggles with her art--searching for a subject for her next novel, confronting her characters, facing her family's anger when she invades their privacy, reflecting on the writers who influenced her, and continually honing her craft. The winner of the National Medal of Arts for her extraordinary storytelling, Julia Alvarez here offers essays that are an inspiring gift to readers and writers everywhere. "This beautiful collection of essays . . . traces a process of personal reconciliation with insight, humor, and quiet power." —San Francisco Examiner and Chronicle "Reading Julia Alvarez's new collection of essays is like curling up with a glass of wine in one hand and the phone in the other, listening to a bighearted, wisecracking friend share the hard-earned wisdom about family, identity, and the art of writing." —People Julia Alvarez's new novel, *Afterlife*, is available now.

**Aimless Love** Billy Collins, 2014-10-21 NEW YORK TIMES BESTSELLER "America's favorite poet." —The Wall Street Journal From the two-term Poet Laureate of the United States Billy Collins comes his first volume of new and selected poems in twelve years. *Aimless Love* combines fifty new poems with generous selections from his four most recent books—*Nine Horses*, *The Trouble with Poetry*, *Ballistics*, and *Horoscopes for the Dead*. Collins's unmistakable voice, which brings together plain speech with imaginative surprise, is clearly heard on every page, reminding us how he has managed to enrich the tapestry of contemporary poetry and greatly expand its audience. His work is featured in top literary magazines such as

The New Yorker, Poetry, and The Atlantic, and he sells out reading venues all across the country. Appearing regularly in The Best American Poetry series, his poems appeal to readers and live audiences far and wide and have been translated into more than a dozen languages. By turns playful, ironic, and serious, Collins's poetry captures the nuances of everyday life while leading the reader into zones of inspired wonder. In the poet's own words, he hopes that his poems "begin in Kansas and end in Oz." Touching on the themes of love, loss, joy, and poetry itself, these poems showcase the best work of this "poet of plenitude, irony, and Augustan grace" (The New Yorker). Envoy Go, little book, out of this house and into the world, carriage made of paper rolling toward town bearing a single passenger beyond the reach of this jittery pen and far from the desk and the nosy gooseneck lamp. It is time to decamp, put on a jacket and venture outside, time to be regarded by other eyes, bound to be held in foreign hands. So off you go, infants of the brain, with a wave and some bits of fatherly advice: stay out as late as you like, don't bother to call or write, and talk to as many strangers as you can. Praise for Aimless Love "[Billy Collins] is able, with precious few words, to make me cry. Or laugh out loud. He is a remarkable artist. To have such power in such an abbreviated form is deeply inspiring."—J. J. Abrams, The New York Times Book Review "His work is poignant, straightforward, usually funny and imaginative, also nuanced and surprising. It bears repeated reading and reading aloud."—The Plain Dealer "Collins has earned almost rock-star status. . . . He knows how to write layered, subtly witty poems that anyone can understand and appreciate—even those who don't normally like poetry. . . . The Collins in these pages is distinctive, evocative, and knows how to make the genre fresh and relevant."—The Christian Science Monitor "Collins's new poems contain everything you've come to expect from a Billy Collins poem. They stand solidly on even ground, chiseled and unbreakable. Their phrasing is elegant, the humor is alive, and the speaker continues to stroll at his own pace through the plainness of American life."—The Daily Beast "[Collins's] poetry presents simple observations, which create a shared experience between Collins and his readers, while further revealing how he takes life's everyday humdrum experiences and makes them vibrant."—The Times Leader
