**The Portrait of a Lady** Khushwant Singh, 2009-02-20 'A Khushwant Singh short story is not flamboyant but modest, restrained, well-crafted...Perhaps his greatest gift as a writer is a wonderful particularity of description'—London Magazine Khushwant Singh first established his reputation as a writer through the short story. 'Khushwant's stories enthrall...[He has] an ability akin to that of Somerset Maugham...the ability to entertain intelligently'—PBI - India Today 'His stories are better than [those of] any PBI - Indian writing in English—Times of PBI - India 'The Collected Short Stories leaves the reader in a delightful, inebriated trance'—Sunday Chronicle 'He is not an ordinary short story writer...[Collected Stories] is delightful reading'—Hindustan Times

*The Browning Version* Terence Rattigan, 1994 Rattigan's well-loved play about an unpopular schoolmaster who snatches a last shred of dignity from the collapse of his career and his marriage. Twice filmed (with Michael Redgrave and Albert Finney) and frequently revived. Andrew Crocker-Harris' wife Millie has become embittered and fatigued by her husband's lack of passion and ambition. On the verge of retirement, and divorce, Andrew is forced to come to terms with the platitude his life has become. Then John Taplow, a previously unnoticed pupil, gives Andrew an unexpected parting gift: a second-hand copy of Robert Browning's translation of Agamemnon - a gift which offers not only a opportunity for redemption, but the chance to gain back some dignity. This volume also contains *Harlequinade*, a farce about a touring theatre troupe, written to accompany *The Browning Version* in a double-bill under the joint title, *Playbill*. 'Few dramatists of this century have written with more understanding of the human heart than Terence Rattigan' Michael Billington This edition includes an authoritative introduction, biographical sketch and chronology.

**Go Kiss the World** Subroto Bagchi,2009-08-05 'Go, kiss the world' were Subroto Bagchi's blind mother's last words to him. These words became the guiding principle of his life. Subroto Bagchi grew up amidst what he calls the 'material simplicity' of rural and small-town Orissa, imbibing from his family a sense of contentment, constant wonder, connectedness to a larger whole and learning from unusual sources. From humble beginnings, he went on to achieve extraordinary professional success, eventually co-founding MindTree, one of India's most admired software services companies. Through personal anecdotes and simple words of wisdom, Subroto Bagchi brings to the young professional lessons in working and living, energizing ordinary people to lead extraordinary lives. Go Kiss the World will be an inspiration to 'young India', and to those who come from small-town India, urging them to recognize and develop their inner strengths, thereby helping them realize their own, unique potential.

**Man and His Symbols** Carl G. Jung,2012-02-01 The landmark text about the inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung's revolutionary ideas “What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society.”—The Guardian “Our psyche is part of nature, and its enigma is limitless.” Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life's work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, Man and His

Symbols is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience.

Johannes Hoornbeeck (1617-1666), On the Conversion of Indians and Heathens Ineke Loots, Joke Spaans, Johannes Hoornbeeck, 2018-11-12 Exploration, trade and conquest expanded and upset traditional worldviews of early modern Europeans. Christians saw themselves confronted with a largely heathen world. In the wake of Iberian colonization, Jesuits successfully christianized heathen populations overseas. In his *De conversione Indorum et gentilium*, Johannes Hoornbeeck presents a systematic overview of every aspect of the missionary imperative from a Reformed Protestant perspective. The most attractive part of his book may be the global survey it offers of the various types of heathens, an early example of comparative religion. Of equal interest, however, is his critical approach to mission. Hoornbeeck rejects ecclesiastical hierarchy and top-down imposition of Christianity. In this he is perfectly orthodox, and at the same time startlingly original and a harbinger of modern missions. His practical recommendations offer a flexible framework for missionaries, to fit a wide variety of circumstances.

**Introduction to Old Javanese Language and Literature** Mary S. Zurbuchen, 2020-08-06 The oldest and most extensive written language of Southeast Asia is Old Javanese, or Kawi. It is the oldest language in terms of written records, and the most extensive in the number and variety of its texts. Javanese literature has taken many forms. At various times, prose stories, sung poetry or other metrical types, chronicles, scientific, legal, and philosophical treatises, prayers, chants, songs, and folklore were all written down. Yet relatively few texts are available in English. The unstudied texts remaining are an unexplored record of Javanese culture as well as a language still alive as a literary medium in Bali. *Introduction to Old Javanese Language and Literature* represents a first step toward remedying the dearth of Old Javanese texts available to English-speaking students. The ideal teaching companion, this anthology offers transliterated original texts with facing-page English translations. The anthology focuses on prose selections, since their straightforward style and syntax offer the beginning student the most rewarding experience. Four sections make up the collection. Part I offers several short readings as the most accessible entry point into Old Javanese. Part II contains two moralistic fables from an Old Javanese retelling of the Hindu Pañcatantra cycle. Part III takes up the epic, providing excerpts from one of the books of the Old Javanese retelling of the Mahābhārata. Part IV offers excerpts from two chronicles, the generic conventions of which challenge received notions of history writing because of their supernaturalism and folkloric elements. Includes introduction, glossary, and notes.

**They Poured Fire on Us From the Sky** Benjamin Ajak, Benson Deng, Alephonsion Deng, Judy A. Bernstein, 2015-08-11 The inspiring story of three young Sudanese boys who were driven from their homes by civil war and began an epic odyssey of survival, facing life-threatening perils, ultimately finding their way to a new life in America. Between 1987 and 1989, Alepho, Benjamin, and Benson, like tens of thousands of young boys, took flight from the massacres of Sudan's civil war. They became known as the Lost Boys. With little more than the clothes on their backs, sometimes not even that, they streamed out over Sudan in search of refuge. Their journey led them first to Ethiopia and then, driven back into Sudan, toward Kenya. They walked nearly one thousand miles, sustained only by the sheer will to live. *They Poured Fire on Us from the Sky* is the three boys' account of that unimaginable journey. With the candor and the purity of their child's-eye-vision, Alephonsian, Benjamin, and Benson recall by turns: how they endured the hunger and strength-sapping illnesses—dysentery, malaria, and yellow fever; how they dodged the life-threatening predators—lions, snakes, crocodiles and soldiers alike—that dogged their footsteps; and how they grappled with a war that threatened continually to overwhelm them. Their story is a lyrical, captivating, timeless portrait of a childhood hurled into wartime and how they had the good fortune and belief in themselves

to survive.

*The Necessity of Art* Ernst Fischer,2020-05-05 Art is necessary in order that man should be able to recognize and change the world. But art is also necessary by virtue of the magic inherent in it.-Ernst Fischer Reissued with an introduction by John Berger, *The Necessity of Art* is a beautifully written meditation on art's importance in viewing the world in which we live. In this wide-ranging and erudite exploration of literary and fine art, Fischer looks at the relationship between the creative imagination and social reality, arguing that truthful art must both reflect existence in all its flaws and imperfections, and help show how change and improvement might be brought about. With his emphasis on the individual's need to engage with society, his rejection of rampant consumerism and hypertechnology, and his indomitable optimism, this radical, affirmative and humane vision of the artistic endeavor remains as timely today as when it was first published sixty years ago.

*The Hundred Dresses* Eleanor Estes,2004 Eleanor Estes's *The Hundred Dresses* won a Newbery Honor in 1945 and has never been out of print since. At the heart of the story is Wanda Petronski, a Polish girl in a Connecticut school who is ridiculed by her classmates for wearing the same faded blue dress every day. Wanda claims she has one hundred dresses at home, but everyone knows she doesn't and bullies her mercilessly. The class feels terrible when Wanda is pulled out of the school, but by that time it's too late for apologies. Maddie, one of Wanda's classmates, ultimately decides that she is never going to stand by and say nothing again. This powerful, timeless story has been reissued with a new letter from the author's daughter Helena Estes, and with the Caldecott artist Louis Slobodkin's original artwork in beautifully restored color.
