[Santa Olivia](#) Jacqueline Carey, 2009-05-29 Lushly written with rich and vivid characters, *Santa Olivia* is Jacqueline Carey's take on comic book superheroes and the classic werewolf myth. Loup Garron was born and raised in *Santa Olivia*, an isolated,

disenfranchised town next to a US military base inside a DMZ buffer zone between Texas and Mexico. A fugitive Wolf-Man who had a love affair with a local woman, Loup's father was one of a group of men genetically-manipulated and used by the US government as a weapon. The Wolf-Men were engineered to have superhuman strength, speed, sensory capability, stamina, and a total lack of fear, and Loup, named for and sharing her father's wolf-like qualities, is marked as an outsider. After her mother dies, Loup goes to live among the misfit orphans at the parish church, where they seethe from the injustices visited upon the locals by the soldiers. Eventually, the orphans find an outlet for their frustrations: They form a vigilante group to support Loup Garron who, costumed as their patron saint, Santa Olivia, uses her special abilities to avenge the town. Aware that she could lose her freedom, and possibly her life, Loup is determined to fight to redress the wrongs her community has suffered. And like the reincarnation of their patron saint, she will bring hope to all of Santa Olivia.

*I Love Jesus, But I Want to Die* Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Seeing a chance to reunite with Caleb, she keeps their past, and the details around the implosion of their relationship, a secret. Wrestling to keep her true identity and their sordid history under wraps, Olivia's greatest obstacle is Caleb's wicked new girlfriend, Leah, who's equally determined to possess the man who no longer remembers her. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. hell, and so is the rest of her, but the fact that she's got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she's making a play for me. Avoiding her is impossible. We're paired up on a yearlong school project, but I'm confident I can resist her. We'd never work, anyway. The Color Purple (Movie Tie-In) Alice Walker,2023-12-05 Read the original inspiration for the new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. Celebrating its fortieth anniversary, *The Color Purple* writes a message of healing, forgiveness, self-discovery, and sisterhood to a new generation of readers. An inspiration to authors who continue to give voice to the multidimensionality of Black women's stories, including Tayari Jones, Honorée Fanonne Jeffers, Jesmyn Ward, and more, *The Color Purple* remains an essential read in conversation with storytellers today. A powerful cultural touchstone of modern American literature, *The Color Purple* depicts the lives of African American women in early-twentieth-century rural Georgia. Separated as girls, sisters Celie and Nettie sustain their loyalty to and hope in each other across time, distance, and silence. Through a series of letters spanning nearly thirty years, first from Celie to God, then from the sisters to each other, the novel draws readers into a rich and memorable portrayal of Black women—their pain and struggle, companionship and growth, resilience and bravery. Deeply compassionate and beautifully imagined, *The Color Purple* breaks the silence around domestic and sexual abuse, and carries readers on an epic and spirit-affirming journey toward transformation, redemption, and love.

Becoming Community Olivia A. Phillips,2021-10-15 How we minister matters--especially to those who have already been hurt by the church. Instead of ministering out of God's love and compassion, the church has often ministered to the Queer community out of a deep-rooted fear. Why do we administer hatred instead of allowing the balm of the Holy Spirit's tender care to define our actions? The integrity of the gospel message has been hurt by the way many of us have wielded the power

we have been given. Becoming Community is a call for us to renew our Christian commitment to social responsibility and justice as a primary focus of the church. We must challenge the practices and visions which we hold most important in our communities. Are our ministries truly inclusive to all who would seek to find solace at the feet of Christ? Regardless of whether a person might adopt a philosophy of affirmation or denial of queer practices as God-honoring, one trait must remain in our response: inclusion. Without intentionally inclusive language, care, and practice, can the church live up to the higher calling that we have been given? Is it possible for every individual to be genuinely included in our communities?
