Science in the Kitchen and the Art of Eating Well Pellegrino Artusi, 2003-12-27 First published in 1891, Pellegrino Artusi's *La scienza in cucina e l'arte di mangiar bene* has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi's death in 1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor - humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi's masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.

Dying to Know You Aidan Chambers, 2012-04-26 Karl, aged seventeen, is hopelessly in love. But the object of his affections, Firella, demands proof, and poses him a series of questions regarding his attitude to the many sides of love. But Karl is dyslexic, and convinced that if Firella finds out, she will think he is stupid, and unworthy of her, and leave him. So Karl asks a local writer to help him construct his replies - and an unlikely, but extremely touching, friendship develops between the two men. They both come to learn a great deal about life from a very different perspective, and when an act of violence shatters their calm, they find their respective appraisal of life shifting in profound ways.

True Vines Diana Strinati Baur, 2012 After the sudden death of her Italian winemaker husband, Meryl Michelli flees to her small hometown in Pennsylvania, looking to slam the door on heartache and trudge forward. But it's never that simple, especially when old family ties have been strained by years of geographic and emotional distance. A chance encounter with a childhood friend brings back betrayal she could never put to rest, and readjusting to life in the States in upper mid-life wears her thin in ways she never could have imagined. Just when Meryl feels she can't go on, Providence steps in and gives her

permission to completely fall apart. Only then can she finally manage to grieve both her magnanimous, flawed Francesco and the unforgettable country she left behind. True Vines traverses the manicured rows of northern Italy's majestic wine country and the winding path of the Pennsylvania's Delaware River as Meryl seeks to reconcile her past and her present. Several people on each side of the Atlantic guide her as she relives her own stories: a spirited sister-in-law, a petulant physician, a strong-willed landlady, a good-guy boss, a determined mother-in-law, an amazing flood survivor, a Senegalese English student, a young co-worker. Each recollection and encounter deepens Meryl's insight into how to make peace with her new reality. Saying goodbye to one existence allows Meryl to swing the door open to another as she weaves a new, uniquely beautiful tapestry that transports her to exactly the place in this short sacred life she is meant to be.

Malaparte. Death like me Rita Monaldi, Francesco Sorti, 2016-07-07T00:00:00+02:00 The Island of Capri, August 1939. Italy in the grip of Fascism, the Second World War looming. At a dazzling party under the stars mingling aristocrats, Nazi officers and American millionaires, the writer, ladies' man and Fascist loose cannon, Curzio Malaparte (1898-1957) - at that time internationally renowned - is accosted by Mussolini's secret police: someone has accused him of murder, the killing of a young English girl, a poet, who had mysteriously fallen from a cliff a few years before - a fall that actually did happen. Malaparte decides to go on the run: helped by a few trusted friends (a spendthrift prince, a Camorra man, an eccentric painter and his inseparable dog Febo) he finds himself embroiled in an impossible investigation. Who's trying to frame him? Could it be that SS officer shadowed by his bloodthirsty Doberman? And what has the terrible (and true) secret hidden in Adolf Hitler's past to do with the plot against him? Struggling to stay a step ahead of the nightmare that's bearing down on him, the writer is forced to live by his wits, depending on a charming girl with unsuspected talents and the providential assistance of an American journalist, the perfect gentleman, destined to head US military intelligence in Europe. The setting: Capri's landscapes and the house Malaparte is building atop one of the island's most spectacular cliffs. All the while, champagne corks pop, the band plays on, and Europe's high society drifts helplessly to its doom. But Malaparte won't play that game: no passive victim, he's determined to save his skin, like his mind, still painfully scarred by a war hero's wounds from over two decades before. Yet that's by no means all there is to it. Readers will soon find themselves up against far more than a mere literary fiction: the tale Malaparte is telling covers his entire past life; more than just a novel, he's responding to the challenge of a lifetime. Only at the very end shall we know if he has lived up to it, or failed. Launching Monaldi & Sorti's new masterwork. A FIRST IN ITALY, A FIRST WORLDWIDE

Italy Revisited Mary Melfi, 2009 Drawing out her mother's childhood memories of life in southern Italy at the dawn of the twentieth century, Mary Melfi takes an unconventional approach to autobiographical writing. *Italy Revisited* serves as a double memoir, told in dialogue between a mother and a daughter. The conversation takes the reader to a medieval town high up in the mountains where time is told by the shadow the sun casts, where wheat and olive oil are the currency of choice (barter is in use), and where marriage is as much about property as it is about love. As they re-create that vanished world, the pair finds greater understanding of the tumultuous relationships that sometimes exist between immigrant mothers and their children.

Game for Five Marco Malvaldi, 2014-04-10 At the Bar Lume, in a small seaside town where everyone knows everyone else, barman Massimo and four old-timers pass the time, between hands of cards and shots of coffee, chatting, arguing and theorising about the murder of a young woman in their town. When her body is found stuffed in a bin, the girl's lifestyle has everyone thinking her death must have something to do with the world of drug trafficking and dangerous sex she inhabited. The group of old friends at the Bar Lume begin to pull the case apart, forcing barman Massimo into the role of amateur sleuth.

Baumgartner's Bombay Anita Desai,2000 Desai's classic novel of the Holocaust era is the story of the profound emotional wounds of war and its exiles. The book follows Hugo Baumgartner as he leaves behind Nazi Germany and his Jewish heritage for Calcutta, only to be imprisoned as a hostile alien and then released to Bombay at war's end.

My Name is Mina David Almond,2013-11-14 There's an empty notebook lying on the table in the moonlight. It's been there for an age. I keep on saying that I'll write a journal. So I'll start right here, right now. I open the book and write the very first words: My name is Mina and I love the night. Then what shall I write? I can't just write that this happened then this happened then this happened to boring infinitum. I'll let my journal grow just like the mind does, just like a tree or a beast does, just like life does. Why should a book tell a tale in a dull straight line? And so Mina writes and writes in her notebook, and here is her journal, Mina's life in Mina's own words: her stories and dreams, experiences and thoughts, her scribbles and nonsense, poems and songs. Her vivid account of her vivid life. In this stunning book, David Almond revisits Mina before she has met Michael, before she has met Skellig. Shortlisted for the 2012 Carnegie Medal.

What is it when it's upset. It isn't in the room. Moonlight and darkness. Sleep and not sleep. We sleep every night. What was it. I said lifting belly. You didn't say it. I said I mean lifting belly. Don't misunderstand me. Do you. Do you lift everybody in that way. No. You are to say No. Lifting belly. How are you. Lifting belly how are you lifting belly. We like a fire and we don't mind if it smokes. Do you. —From "Lifting Belly" Each palm-size book in the Counterpoints series is meant to stay with you, whether safely in your pocket or long after you turn the last page. Journey to Ithaca Anita Desai,2013-04-15 Sophie and Matteo are young and in love, sharing a dissatisfaction with their bourgeois Italian upbringing. Naturally, like so many other young Westerners in the sixties and seventies, they go to India. But the realities of life in an ashram ignite their differences; Sophie wants to be a tourist and go to Goa and eat shrimp, which Matteo scorns, seeking the 'real' India. Pragmatic Sophie is disillusioned by the hardships they encounter, while her husband, who yearns for spiritual fulfillment, sees only the purity of ascetic life, leading him to Mother, a charismatic guru. Trying to reclaim an ailing Matteo, Sophie embarks on a new journey in search for a different truth; that of Mother's mysterious past. Soon, she finds that the immortal has a history of her own; born in Cairo, she was once Laila, a dancer who toured the world before coming to Bombay to search for 'divine love'. What each of the three people discover, on their individual quests, is at its heart that ancient truth: that wisdom is found in the journey itself. A stirring, profound exploration of emotional exile, of sacred and profane loves, *Journey to Ithaca* is a masterful novel.

Liguria: The Cookbook Laurel Evans,2024-09-10 This book presents to an American audience the cuisine of Liguria—the Italian Riviera—full of dishes that are inventive, inherently seasonal, waste-conscious, plant-forward, and geared toward the home cook. Italian cuisine never goes out of style. Yet while many are familiar with various regional cuisines of Italy, one of its most gastronomically rich regions has been largely overlooked: Liguria, home of focaccia, pesto, and the Cinque Terre. Award-winning author and food writer Laurel Evans has been immersed in the cuisine of Liguria for 15 years, ever since her Italian boyfriend (now husband, and the photographer for this book) brought her to his family's hillside villa in Moneglia on the Mediterranean coast. There, Evans immersed herself in kitchens, restaurants, and markets, building relationships with the chefs, shopkeepers, producers, and nonne who drive the local cuisine. This book showcases all that she discovered: a cuisine that is beautiful but humble, plant-based and waste-conscious at its core, with a particular spirit and history that she unravels for readers new to the region. From the ultimate pesto, to the definitive focaccia recipe coaxed out of local bakers, to recipes for lesser-known Ligurian specialties like Cappon Magro, *Liguria: The Cookbook* offers readers a personal journey into the heart of the cuisine of this timeless yet ever-evolving region.
