**Achilleid** Publius Papinius Statius,Oswald Ashton Wentworth Dilke,Robert W. Cowan,2005 Statius' Achilleid is perhaps the most remarkable of all Latin epic poems. Its project - to tell the whole life of Achilles - was cut short by the poet's untimely death. Yet the completed first book and the earliest part of the second have a charm and freshness matched only in some of Ovid's most lively and engaging work. The poem tells how the sea-nymph Thetis, in a vain attempt to save her son from his destined end in the Trojan war, hid him on the island of Scyros, disguised as a girl. There he fell in love with the beautiful Deidamia, but at the same time, with the idea of glory in war. His feminine disguise was eventually penetrated by Ulysses and Diomedes, who tricked him into exposure of his truly warlike aspirations. In relating this story Statius explores the nature of gender and the limits of the epic genre, while playfully and wittily positioning himself in the epic - and wider - poetic tradition. These themes are explored in a new introduction by Robert Cowan, which surveys the latest research on the poem. Its assessment, very much in the modern critical manner, contrasts with and complements the traditional textual and philological commentary by O.A.W. Dilke. The combination of these two distinct approaches will assist undergraduates and postgraduates in reading the text, and, at the same time, it will provide a valuable resource for the more advanced scholar.

**Little Fox in the Forest** Stephanie Graegin,2017-02-28 Fans of Aaron Becker's Caldecott Honor winner Journey will love this utterly enchanting wordless picture book in which two friends follow a young fox deep into the woods and discover a

wondrous and magical world. When a young girl brings her beloved stuffed fox to the playground, much to her astonishment, a real fox takes off with it! The girl chases the fox into the woods with her friend, the boy, following close behind, but soon the two children lose track of the fox. Wandering deeper and deeper into the forest, they come across a tall hedge with an archway. What do they find on the other side? A marvelous village of miniature stone cottages, tiny treehouses, and, most extraordinary of all, woodland creatures of every shape and size. But where is the little fox? And how will they find him? Stephanie Graegin's oh-so-charming illustrations are simply irresistible, and readers young and old will want to pore over the pages of this delightful fantasy adventure again and again.

*Maps of My Emotions* Bimba Landmann, 2021-08-28 Follow along with a child and his companion as they embark on a mysterious journey. The only words in this book, which is almost a silent book, are those that describe the places on the maps of the journey. These fantastic and evocative places express all the shades of emotions from hope to fear, from wonder to sadness, to finally to love. An unprecedented and highly original itinerary with a story of friendship and great adventure plays out in graphic-novel form that unfolds on the pages between the maps. Highly visual illustrations provide an incentive for children to explore their emotions and create their own new maps for emotional discovery.

**The Vatican Necropoles** Paolo Liverani, Giandomenico Spinola, Pietro Zander, 2010 This is the first published summary of the entire complex of the great necropoles of Rome, which were situated on Vatican Hill. The work concerns one of the most extensive, richest, and least-known Roman archaeological phenomena and bears witness to the work of creating an underground museum that has been followed internationally as a model of conservation practice. From the submerged world of the necropoles emerges the funeral 'normality' of the Roman world, from poorer cremations in wooden urns, to sumptuous sarcophagi, to sepulchres adorned with frescoes and mosaics. One can also observe Egyptian cults influencing the practice of epicurean philosophy. In addition, we can catch a glimpse of the first traces of Christianity, which include the presence of St.

Peter the Apostle's tomb.
