Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Women Can't Hear What Men Don't Say Warren Farrell,2000-09-25 In *Women Can't Hear What Men Don't Say*, Dr. Warren Farrell demonstrates how gender-based anger at home, in the workplace, in omnipresent media images, and throughout the overall culture combines with men's own fear of speaking out to misrepresent the inner and outer reality of men's lives. Looking at the world from the perspectives of both men and women, Dr. Farrell provides a remarkable communication program to assist couples in moving beyond the current tripwire assumptions that lead to so much gender-based conflict, and to allow them to understand and love each other more fully than ever. His methods are the culmination of thirty years of experience with thousands of men and women in workshops, groups, and seminars. They prove that strategies that create love at home can also produce success and respect in the workplace.
