Writing Skills Teacher's Book Norman Coe,Robin Rycroft,Pauline Ernest,1983-03-31 Writing Skills provides learners with problem-solving activities based on a wide variety of text types. The activities give practice in using specific items of language and in developing the ability to organise information. Text types covered are: letters (both informal and formal),

reports, brochures, journalistic articles, instructions and stories. In all cases, emphasis is placed on group work, and substantial opportunities and ideas for further practice are given throughout. The Teacher's Book contains notes and a key, as well as comprehensive explanations of the rationale behind the exercises.

STUDENT'S ENGLISH Composition Book 5 BPI, Students English Composition is a series of six books. These books have been specially designed to enhance students writing skills. A PRACTICAL COURSE FOR DEVELOPING WRITING SKILLS IN ENGLISH J. K. GANGAL, 2011-03-26 Today, more than ever before, there is a realization that communicating properly, especially in writing, is essential for all the job aspirants as well as those employees—budding managers and others—eager to build up their career. Taking this scenario into account, this book equips the reader with the ability to learn and enhance the writing skills in English. From fundamentals of grammar to precis, paragraph and essay writing, this book dwells on all aspects of the language besides listing the words (both new and old) to enhance one's word power, and the foreign words used in the English language. Divided into eight sections, the book describes eight effective tools to master the art of writing. The book begins with the basics of writing, and it then goes to give a careful analysis of functional grammar, vocabulary, common errors committed and their rectifications. Finally, the book showcases the intricacies of formal and informal writings and creative writing to make a learner proficient in these areas. Each section is supported with simple examples, and easy-to-perform Practice Exercises along with their answers. The book is intended for the undergraduate students (both regular and correspondence courses) of all universities, and higher secondary (plus 2) students of all boards. The book will also be beneficial for the students appearing for the competitive examinations and interviews as well as for the general reader who wishes to improve his/her English writing skills.

Ready to Write Karen Lourie Blanchard, Christine Baker Root, 1994 This text introduces students to the writing process by presenting the stages of pre-writing, revising and editing. It presents paragraph development in steps and prepares students for the composition skills needed for academic work. An answer key is also provided.
