**Branded** Alissa Quart,2008-12-17 Generation Y has grown up in an age of the brand, bombarded by name products. In *Branded*, Alissa Quart illuminates the unsettling new reality of marketing to teenagers, as well as the quieter but no less worrisome forms of teen branding: the teen consultants who work for corporations in exchange for product; the girls obsessed with cosmetic surgery who will do anything to look like women on TV; and those teens simply obsessed with admission into a name-brand college. We also meet the pockets of kids attempting to turn the tables on the cocksure corporations that so cynically strive to manipulate them. Chilling, thought-provoking, even darkly amusing, *Branded* brings one of the most disturbing and least talked about results of contemporary business and culture to the fore-and ensures that we will never look at today's youth the same way again.
